

# A New Sunday Feel

We are so excited to take advantage of the current social situation and try out a style of worship! This is a chance to explore different platforms on which we connect with our church family and our community. We will be doing a series of videos to encourage everyone to grow strong in Christ. Below are a few variables we wanted to bring to your attention. Things are different now. Sunday mornings are not the same and, in some ways, maybe they're better. These suggestions are for you to have fun with. Be creative and customize these ideas for you!

**Environment:** We encourage you to involve everyone in your home. Make this a fun time! Make a breakfast, turn on some music, dance. Enjoy coffee or sit in silence. Our Sunday morning experience will be available on Facebook at 9:00 a.m. Try a test run and when you are ready, hook up your laptop to the television for a better view. Settle in and push play when everyone is ready.

**Worship:** Joey will not be singing on stage with worship teams to support him. Don't let this stop you from singing praise around your home!

**Communion:** Our ushers will not be making house calls, but don't let that stop you from gathering around the communion table. Have someone in your family read a verse as you prepare to share together. This time should be a time to remember the sacrifice Jesus made for us. Below are some verses to reflect on during this time.

*"They broke bread in their home and ate together with glad and sincere hearts" Act 2:46  
Other references: John 6:53-58; 1 Corinthians 11, Matthew 26:26-28, Isaiah 53, Luke 24:30*

**Offering:** Ministry is still happening, and our ministry staff is working extra hard to support you through this season. We want to say "Thank You" to those of you who are remaining faithful in your giving. If you are interested in hearing how to become a financial partner with our ministry, please refer to our website.

**Fellowship:** Please stay connected with other church members and your community. Using calls, text, emails and cards are a great way to uplift those around you! We will be uploading videos onto YouTube to stay in contact with you guys. You can find us on YouTube by searching for "Rising Sun Church of Christ" or going to our website, [risingsunchurch.org](http://risingsunchurch.org), and following the link provided.

**Community:** One of the ways we are encouraging community through this isolation, is to post a Sunday Morning Picture of your family's worship experience on our Facebook wall. The following week, each contributing family will be entered into a weekly drawing for a chance to win a gift card of your choice.

**Please remember God loves you, and we love you!  
We will continue to praise in a creative and interactive way!**
