

Parents,

March 15th and 16th is the Ignite Youth Conference in Des Moines. Students have been attending this conference for the last few years and we are excited to have the opportunity to attend again this year. Registration is available on our church website.

We will meet at the church at 5:30 pm on Friday, March 15th and will travel together to Grace Church. After the final session Friday night, the boys will stay the night at Rising Sun, while the girls will stay the night at the Rowland's house. This will only be open to students attending the conference. Students will be responsible for bringing any sleeping bags, blankets, and pillows they may need for the night. Also, please remind them to bring toothbrushes and deodorant :)

The conference will continue Saturday. The final session will end at 5:00 pm, so you will need to pick up your child at 5:30 pm at Rising Sun.

Students should eat supper prior to their arrival at Rising Sun on Friday evening (the conference will provide some food at 8:30 pm). Saturday breakfast and lunch will be provided.

We, Jon and Hannah Hoefler, will oversee taking the group this year, along with other adult sponsors. If you have any questions, feel free to reach out to them or Steve Rowland.

Thank you,

Jon & Hannah Hoefler
